

Log-In experience

1) CM User

UserName in AuthHub

The screenshot shows a web browser window with the URL <https://access-qa.broadcom.com/default/ui/v1/signin/>. The Broadcom logo is in the top left, and navigation links (PRODUCTS, SOLUTIONS, SUPPORT, COMPANY, HOW TO BUY) are in the top right. A "LOGIN" dropdown is also present. Below the navigation bar, there is a message: "Having trouble logging in? [Click here](#) to use our Chat Bot for assistance. Connecting to Support Portal ECX - QA 2". The main sign-in form is titled "Broadcom Inc. Customer sign-in". It contains a "Username" field with the text "localuser@ah.com" entered. Below the field is a checkbox labeled "Remember me". A blue "Next" button is at the bottom right of the form. A link for "Privacy Policy" is at the bottom left of the form. Below the form, there is a disclaimer: "By signing in, you agree to our [Terms of Use](#). Your privacy is important to us. Please see our [Privacy Policy](#) for more information. ⚠ Use of a shared email account or a distribution list (PDL) is a security risk and a violation of the [Terms of Use](#) for this Site."

Password in Authhub

The screenshot shows the same Broadcom sign-in page, but now the "Password" field is visible. The "Username" field is still filled with "localuser@ah.com". The "Password" field is empty, with a "Forgot Password?" link below it. A blue "Sign In" button is at the bottom right of the form. The disclaimer at the bottom is the same as in the previous screenshot.

2) Broadcom Engineer
